## **LETTER FROM THE EDITOR**

Well, I hope everyone had a great summer! Cody and I were unfortunately unable to attend the show in July as I didn't feel well enough to travel so far. The show looked like it was so much fun and I can't wait to attend next year!

We welcomed our little girl on August 28<sup>th</sup>, her name is Violet and we are all doing great! She's already been for a few rides in the grain truck and when she starts walking it sounds like she will be riding all of Cody's International dozers. He will make her a little collector in no time!

Hope everyone's harvest is going better than ours. Have a great fall and I will write to you all again in the winter!

From the Newsletter editor Shyanne Kearnan

## **PRESIDENTS MESSAGE**

Hello Fellow IH Members

It's a nice sunny fall day here in Perdue. I'm busy taking carrots. Beets, potatoes, tomatoes and Zucchini from the garden.

July started out finishing up on some things for the show in Lacombe. Then attending a couple car shows in Perdue and Delisle, Sk. with fellow IH members Ron Gerlinski and Doug Moir before we were off to Lacombe. We were gone for 5 days and thoroughly enjoyed ourselves. Hats off to Donna, Steve, Heather and Jarid for all your hard work for everyone to enjoy this year's show.

Saturday September 18<sup>th</sup> we were at Rosthern Harvest Festival which we participated in their parade and car show as this is where our yellow 74 IH pickup came from. There are people who still recognize it as their dealer service truck.

## 2027 Show

Next year's show will be held at Humboldt, Sk. at the Humboldt Vintage Club Hwy #20 south on August 21 & 22. Check out their Facebook page. I will have more info in the next newsletter.

Colleen Urick, Chapter 38 President

## Membership Treasure And Secretary Report

Hello Everyone,

I hope everyone had a good summer and are having a good harvest season.

First off I would like to thank everyone who came out to the show in July and for your donations to the silent auction table and the door prize table. It was a great show.

We had a vendor order in some 20th anniversary IH Trucks. He has some left over and is wondering if anybody wants to buy one. They are \$200 and you can contact me if you would like one. Either email me at [dhammond64@shaw.ca](mailto:dhammond64@shaw.ca) or call me at 403-350-8107 and I can get one out to you.

To date we have 121 primary member and 63 family members.

I hope to see everyone in Humboldt next year

Donna Hammond

- Social Media Report
- Distribution Report  
Sharon A. asked that she be removed as our Newsletter Distribution clerk.  
Randy H. motioned that we accept Sharon's resignation, Sharon seconded – carried.  
Thank you to Sharon for her years of service.

- 2027 Show

Colleen has been in communication with Humboldt, SK. They have an existing annual Tractor Pull and Fair and would very much like to partner with Chapter 38. The show is tentatively scheduled for August 21 and 22, 2027. The grounds are located 6 miles south of town. Executive will vote on this proposal.

- 2026 Show

Steve G. is very pleased with day one. He thanked the LA Vintage Club for all the work they have done to make the show a success. Terry G. recommended that a formal Thank-You be sent to LA Vintage. Collen will do a letter that Steve and Heather G. will deliver at their next LA Vintage meeting - along with a few Gift Cards to show our appreciation.

- Darald M. gave a presentation explaining how the Chapter 38 membership renewal process works from a National IHCC perspective. He explained how the various chapters' renewal periods are distributed throughout the calendar year in order to spread out the workload for the National Membership Secretary. He also explained how the grace period works for memberships that are in a lapse status as of the renewal deadline and how these impacts whether or not you receive a Harvester Highlights magazine and when you drop off the mailing list all together.

- Elections

Jared Nafziger, Blair Leonard, and Jordan Ward agreed to let their names stand for another term.

Darald Marin and Marty Nervick will not be extending their Director positions.

Nominations from the floor were opened. Donna H. nominated Chris Waddell, Steve G. seconded the nomination. Terry G. motioned nominations cease, Steve G. seconded, carried. Chris was not present at the meeting, but will be notified on Sunday of his appointment to the Chapter 38 board.

Sharon A. raised the issue that we currently do not have the vice-president position filled. Colleen is aware and efforts will be made to recruit a Director who would be willing to accept the role.

- A discussion was had around how to attract younger members to the club. A few good ideas were proposed, but whether or not they actually translate into attracting members is the question. This issue will continue to be discussed by the board.
- Annual meeting adjourned at 9:40pm.

## **2026 Summer Show**

### **Thank You**

Hello Everyone,

Thank you to everyone who attended the first-ever stand-alone show for Chapter 38. While we were initially uncertain about how a stand-alone event would turn out, we were absolutely thrilled with the results. We extend a huge thank you to the members of the L.A. Vintage Machinery Club, and we are grateful for the opportunity to further strengthen the relationship between the Lacombe Club and Chapter 38. Thank you to the Gate Keepers who smoothly managed pedestrian flow and directed traffic throughout the weekend. Special thanks to Brian VanHumbeck for spending many hours announcing and keeping everything running smoothly.

Also a big shout-out to Brian Manning and the crew from the Reynolds Museum for hauling the antique tractors down from Wetaskiwin. Demonstrating these machines in action was a highlight for attendees of all ages. Thanks to everyone for bringing all the equipment to show! Special thanks to Bob Ronning Catering for the wonderful meal on Saturday; about 84 people were in attendance.

Also in attendance was the Rimbey Museum, which brought the International People Mover to parade our board members.

Thank you to Pentagon Farm Center - Lacombe - for donating a huge tractor bouncy castle which all the kids really enjoyed. Thank you also to the many vendors that chose to spend their weekend at our show, they were greatly appreciated. Thank you also to Steiner Tractor for your valuable support. The Silent Auction was a huge success with support from so many!

The result was a very successful show and we were very pleased to see so many members there. Thank you for your help. We look forward to seeing everyone next year at Humbolt, Sask.

Take care thanks again, Steve & Heather Goacher, Show Committee

## Photos From The Show

Hello All

As a group of Like-minded Enthusiasts, we have a good group in Chapter 38 and hopefully a fun Future together displaying the Brand we Like and Sharing time together at this Past show in Lacombe and at shows to come in the future

I thank Everyone That Helped put the show on this year in 2026 and all those that travelled to support the Big Effort that was put in.

We had excellent weather and a nice location and level of participation with machines of all sort to entertain the most experienced or novice persons.

I have enclosed several photos and regret not taking more during the show

Looking Forward to seeing everyone next year
